HEALTH SERVICE

UNITING COMMUNITIES

Free, confidential health and wellbeing support for adults facing homelessness.

If alcohol or drugs are causing you problems, our Streetlink Plus AOD team is here to listen and help. Our service is non-judgmental and confidential.

- Servicing people residing in the Adelaide CBD and Port Adelaide Enfield Council
- Someone to talk to about what's going on
- Counselling and ongoing support
- Safer ways to use, or help to cut back or stop
- Links to mental health care, health workers and rehab options if needed.

We focus on safety, respect and care without judgement.

Available Monday – Friday, 9am – 5pm

What you can expect

- Services that are free, confidential and respectful
- Care provided without judgement
- Support from people who understand the challenges of homelessness
