

Road work continuing on Arthur Street, Parramatta

Parramatta light rail – Stage 1

December 2023

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Parramatta Light Rail Stage 1 will connect Westmead to Carlingford via the Parramatta CBD and Camellia. It is expected to open in 2024.

A new driveway will be constructed in front of 32 Tramway Avenue, Parramatta at the intersection of Arthur Street, Parramatta.

What work are we doing?

The work will involve:

- constructing a new concrete driveway to provide access to 32 Tramway Avenue
- constructing raised concrete medians on either side of the driveway entrance on Arthur Street
- installing sandstone blocks and planting vegetation along the driveway next to the pedestrian footpath
- removal of two trees
- line marking.

When will we be working?

We originally advised that work would be completed by early December 2023, however due to a change in design, this work will now be completed by the end of January.

Work will be carried out during standard construction hours from **7am to 7pm on Monday to Friday**, and from **8am to 6pm on Saturdays**. No work will be carried out on Sundays, public holidays or during the holiday period between Saturday 23 December and Tuesday 2 January 2024.

See the work schedule at parramattalightrail.nsw.gov.au/weekly-works.

What will this mean for you and how will we manage it?

Our work may be noisy at times, but we will do everything we can to minimise noise impacts, including using quieter equipment where possible, using noise blankets for noisier activities such as jackhammering and saw cutting and turning off equipment and vehicles when not in use.

Pedestrian changes and detour

Access between Arthur Street and the pedestrian footpath adjacent to our work area will be maintained via George Street and the stairs on Tramway Avenue for the duration of our work. For more information on the detour, please refer to the map overleaf.

Please follow the direction of our workers and signage.

Traffic changes

There will be temporary traffic changes to make sure the work zone is safe. Lane closures will be in place and may affect travel times.

Please keep to the speed limits and follow the direction of traffic controllers and signage.

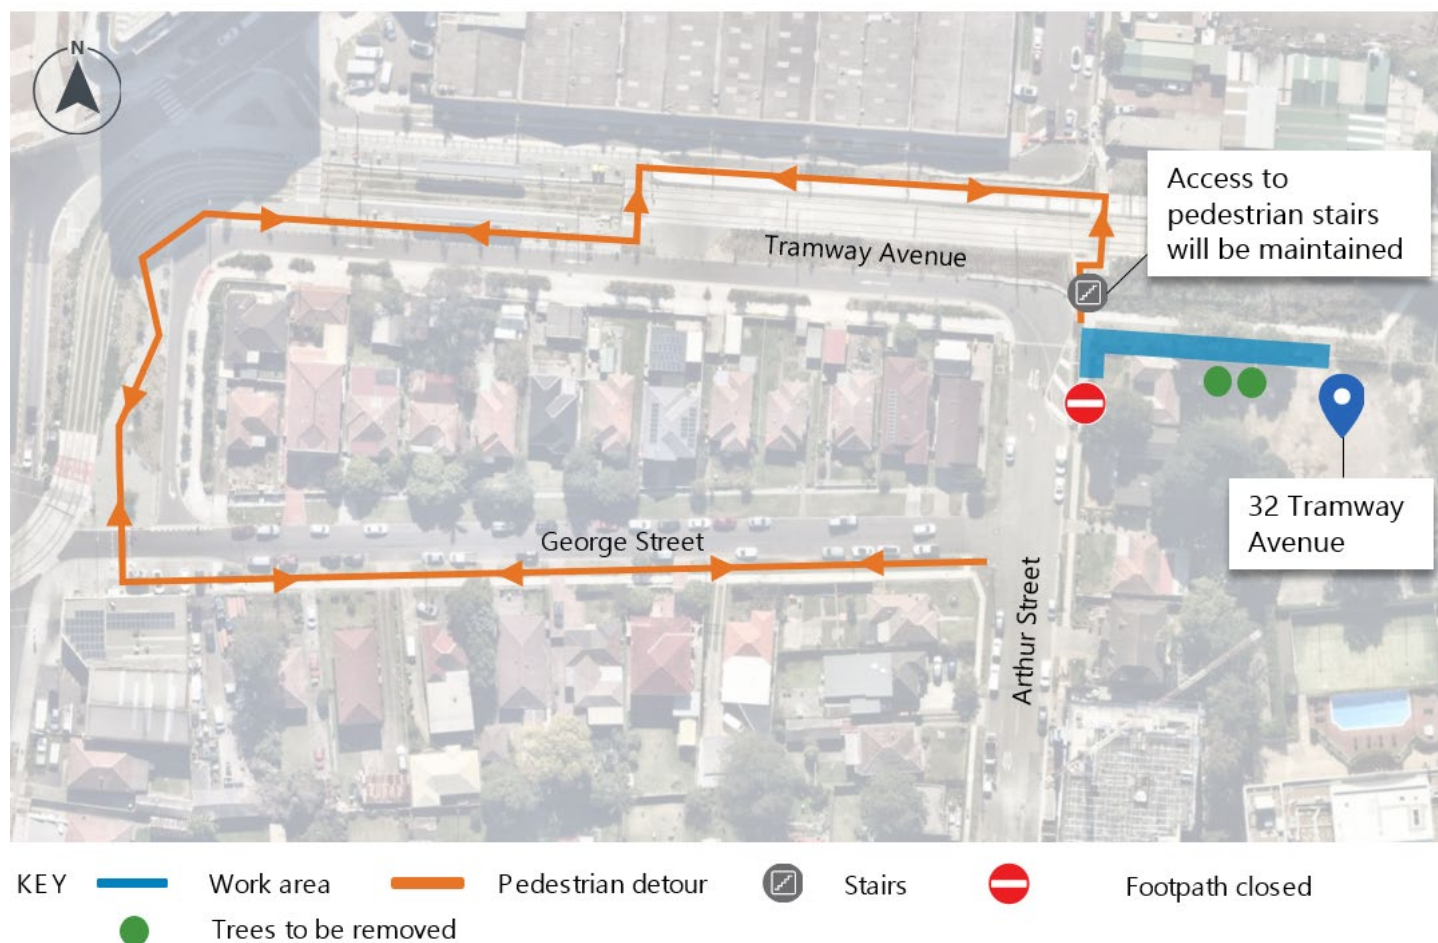

We thank the community for their patience while we complete this important work.

What equipment will be used?

We will use small hand tools, concrete saw, jackhammer, chainsaw, chipper, concrete truck, tipper, light vehicles, excavator and roller.
