

DESIGN DRAFTER

POSITION DESCRIPTION

Position Title:	Design Drafter
Responsible To:	Team Leader, Design
Council Portfolio:	City Infrastructure
Council Program:	Infrastructure
Classification Level:	Salaried, Level 6

Overview of Portfolio

The City Infrastructure Portfolio is responsible Council’s infrastructure assets, strives to make it easier to conduct business in our City and leads the Council’s property portfolio and commercial businesses to generate income.

Overview of Program

The Infrastructure Program provides effective whole of life planning and management of our diverse community infrastructure assets and seeks partnerships with government bodies to deliver on Councils strategic plans, stimulating the local economy and supporting existing community needs and future growth.

Key Relationships / Interactions

Internal	Employees across the Infrastructure Program
	City of Adelaide (CoA) staff members across all Portfolios, Programs and Corporate Teams
External	Industry
	Service Authorities
	Contractors
	Stakeholders, including the community
	Consultants

A unique team creating an extraordinary city

Primary Purpose

As part of the Infrastructure Program the Design Drafter will provide professional advice and input into the technical design, development, implementation and monitoring of a range of projects and proposals that contribute to achieving the City of Adelaide's Strategic Plan outcomes.

Responsibilities

The Design Drafter is responsible for:

- Contributing to the provision of professional drafting services for the design documentation to facilitate the capital works program.
- Producing technical drawings for various civil infrastructure including roads, drainage and footpaths.
- Maintaining all revisions of project drawings and drafting log.
- Working closely with designers and engineers to ensure accurate technical design documentation.
- Providing technical advice and assistance in the design and implementation of projects.
- Maintaining a knowledge and understanding of trends and technology in civil drafting.
- Communicating with project team staff, consultants, contractors and other authorities as required.

Responsibilities for all employees:

- Model and champion an inclusive, respectful, and ethical workplace culture, aligned with our CoA values and Employee Behavioural Standards, actively promoting equal opportunity, diversity and equity.
- Adhere to organisational policies and WHS requirements while promoting a safe, inclusive environment that safeguards both physical and psychological wellbeing for self and others.
- Promptly report WHS incidents or near misses and use equipment, supplies, and personal protective equipment safely and responsibly.
- Adhere to security and safety requirements (physical and cyber) by following secure information/data handling practices and procedures that support and secure our systems.
- Proactively identify and report any cyber security risks, breaches, incidents, or suspicious activity such as phishing, unauthorised access, or mishandling of information.
- Complete all mandatory training and ongoing professional development.
