Subject: Submission:- decision to cut the Newcastle rail.

I object to government decisions, made against what the people have long since decided, that they want the rail line to remain in place to serve the people.

I will only visit Newcastle to shop, or attend functions, or do business, if I can go there by train!

I will not drive to Newcastle by car (where you have to pay to park!)

Parking is impossible in Newcastle!

I will take my business elsewhere! I vote, & I care!

S.Graham.
