The Hon. Brad Hazzard, M.P.

My Husband and I are very concerned about the trains terminating west of Wickham Station as we live just out of Ellaitland this would make it very inconvenient for us as the places of interest to us and people of our age group. Newcastle Station is a lot easier for us.

By stopping the trains you would be making it very hard to have a pleasurable day out

P.S We are not against Change but this one please leave it as is. Thankyou
