Dear Sir,

I write to you
as an concerned & Curious ^{CITIZEN} who
is a regular Visitor to Newcastle,
only to discover that there may be,
in the future, possibly no rail
service to Newcastle itself, after
Viewing tonight's ABC1 TV News, our
plans to rip up the rail track
between Wickham & Newcastle!
Is this really true?

Notice to Residents

Property values are strong in your area and good prices are still being achieved by our agency.

This Friday between 9am and 7pm we will be organizing market appraisals for the residents in your street. This opinion is completely **FREE** of charge, it is provided as a service to the community and there is no obligation whatsoever.

If you've got 5-10 minutes you can find out exactly what our opinion is of what your property might achieve in the current market. Many people have been pleasantly surprised.

Please phone to confirm a time, as we are doing several streets in one day and will be keeping our visits brief.

I love Newcastle Very much & Would
hate to see the Rail Line cease
to exist between Wickham &
Newcastle! This is Ridiculous
& Plain Wrong!

However, I Would be Very
grateful for any Information
regarding this Situation.

Thanking You &
Best Wishes,

Brandon Mills.
