To whom it may concern,

My name is Shameer Qureshi I use the trains from Civic to Warabrook five days a week (with my bike) I believe taking away the last two stations in Newcastle is a bad decision. Firstly the buses don't always run on time and secondly how are people to take their bikes, wheelchairs, prams, surfboards and luggage into Newcastle.

I believe the rest of the strategy to be great but please don't get rid of the train lines. If u have the budget and u want the trains removed from sight then why not build underground stations ? that way you will get the best of both worlds.

Looking forward to hearing from you if possible.

Kind Regards

Shameer Qureshi
