**ATTENTION: MANAGER CENTRES & URBAN RENEWAL  
DEPARTMENT OF PLANNING & INFRASTRUCTURE**

**This email is to inform you of my opinion regarding the Newcastle Rail  
To remove the Rail is an UNFORTUNATE and IGNORANT idea  
STUPIDITY AT ITS WORSE**

**The road traffic is bad enough now having buses clogging up the roads omitting heaps of  
pollution and noise.**

**Has anybody with any experience at living in Newcastle worked on this project?**

**Cutting the Line wont make any difference to the Retail, people wont drive there as they have  
to pay for parking and its usually impossible to find a spot and very expensive if you do find  
one to have to pay on top of shopping expenses.**

**If the Millions of dollars you want to waste is burning a hole in your pockets go ahead and  
waste it**

**Newcastle Rail is a Jewell don't spoil it by taking it away.**

**Make Development easier by approving some nice new developments around encourage  
builders and developers to come to Newcastle.**

**This plus the Rail will make Newcastle thrive.**

**Please don't take the RAIL away. It will be a bad decision that you will regret.**

**Thanking You**
