Subject: Robert Road Cherrybrook

This email is to express my disappointment with the NWRL.

I would like to object to the following and say NO to:

- Areas will be re-zoned and 1,800 new homes will be shoehorned into quiet local streets
- Thousands of new cars will need to access and use low-capacity suburban streets
- Additional pressures will be placed on the already gridlocked Cherrybrook Village Shopping Centre
- Further strain will be placed on Cherrybrook Technology High School, which is the largest school in NSW and is at capacity now
- Popular community hubs such as Robert Park will be lost in the name of medium density housing
- Original homes will be bulldozed to make way for ugly high-rise apartments

Kind Regards
Crystal
