Your privacy It is the department's policy to publish submissions on our website. If you do not want your name to be published on the department's website, clearly state this in your submission or tick the box below.

☐ I do not want my name published on the department's website

Political donations If you make a submission, you are required to declare any reportable political donations (which includes donations of \$1,000 or more) made in the previous two years. For more details, or to get a disclosure form, go to www.planning.nsw.gov.au/donations

I am strongly against the development of all high-rise apartments and all medium to high density housing within the proposed Cherrybrook station precinct and within all the neighbouring precincts, for the reasons that this will add to our streets thousands of cars with the associated noise pollution and traffic problems, and will damage the local natural environment that we value as of utmost importance to us as the residents of this area.

Yongchuan Foo
