---

We oppose the envisaged change in zoning forecast in the Plan. We reside at [6 Louise Way](#) Cherrybrook. Immediately behind our back fence is a vacant property which is subdivided into 14 lots ( [16-24 Robert Rd](#) Cherrybrook-Lot D DP 378203) which under current zoning allows one residence for each of the 14 lots. That property is surrounded by two storey homes. The plan proposes 3 to 6 storey living in an area on the north side of Cherrybrook station which extends to the abovementioned vacant property and our property which is one of 18 properties in Louise Way. We do not want 3 to 6 storey structures immediately behind us.

Yours faithfully,

Peter and Mary Love
