Dear Sir/Madam

Submission on SEPP (Mining, Petrol Production and Extractive Industries) Amendment (Coal Seam Gas) 2013

I refer to the above document currently on exhibition and make the following comment.

On the Future Residential Growth Area Land Map - Sheet STA_050 it is noted that land in the Gosford LGA has been included as a future residential growth area based on a Planning Proposal which has received a Gateway Determination.

Land immediately to the south of this area is also in receipt of a Gateway Determination for proposed rezoning to residential. Hence it is requested that this area also be included as a future residential growth area.

Thank you for your consideration of this amendment.

Yours faithfully
