Dear Sir/Madam

**Submission - Stage 2 - CSG Exclusion Zones**

Council has reviewed draft mapping of future growth areas that were exhibited as part of the Stage 2 CSG Exclusion Zones. As part of this review, a report was presented to the Ordinary Meeting of Council on 15 October 2013 where it was resolved to support the proposed amendments as they related to the Richmond Valley Council area.

One point of clarification is needed however in how the mapping would be maintained to keep track of changes to Growth Management Strategies.

In the event that you should wish to discuss the submission further, please do not hesitate to contact Council's Coordinator of Strategic Planning and Environment, Mr Tony McAteer by telephoning 6660 0276 or alternatively by way of email [tony.mcateer@richmondvalley.nsw.gov.au](mailto:tony.mcateer@richmondvalley.nsw.gov.au)

Yours faithfully
