To: Ms Sarah McGirr,

Dear Sarah,

I wanted to comment on the proposed SEPP relating to shooting ranges.

I would like to draw your attention to the fact that there is a big difference between the "Shooting Range" and the "Range Danger Area".

I would suggest that they should be separated in definition ....and permissible use.

A simple analogy would be an airport vs. the ground underneath a flight path after leaving the airport area. Two completely different things.

Truly,

Bill Conner
