

Subject: SUPPORT FOR PINNACLE STREET, MIRANDA rezoning

Dear Councillor,

We own a property in Pinnacle Street which is subject to Council's proposed rezoning under SSLEP2013.

We wish to register our support to the rezoning being adopted as advertised.

Our understanding is that some Councillors are opposed to the rezoning of Pinnacle Street and surrounds.

We do, however feel that the location is ideally suited to an R4 zoning, with its proximity to services such as shops, trains, hospitals, banks, buses and

relative isolation from other nearby properties in Miranda.

As such, please register our support for the rezoning as proposed in its current form.

Yours faithfully,

**Julio and Melanie Rios
12 Pinnacle Street, Miranda**

Many Thanks & Kind Regards

Julio
