Dear Bruce

**Proposed Amendment of State Environmental Planning Policy  
(Western Sydney Employment Area) 2009**

I refer to my previous submission on the Broader Western Sydney Employment Area Draft Structure Plan on behalf of 13 property owners in Aldington and Abbots Rd (see attached).

The owners who I represent and prepared the initial submission on behalf of fully support the proposed amendment of **State Environmental Planning Policy (Western Sydney Employment Area) 2009** which now has been expanded to include their properties in the Western Sydney Employment Area.

The owners look forward to be given the opportunity to comment on any future rezoning of their land once further detailed assessment has been undertaken prior to any formal decision being made on any future development of this area

If you require any further information please ring me

Yours Faithfully

Greg Hall  
Manager Town Planning
