Dear Sir / Madam

**Western Sydney Employment Area Land Extension**

We, the owners of 106-124 (Lot 32 DP258049) Aldington Road, Kemps Creek attended the drop-in session at Twin Creeks Golf and Country Club on 17 September 2014 and we greatly support the Western Sydney Employment Area Land Extension which now includes the eastern side of Aldington Road, Kemps Creek.

As our property is located on the eastern side of Aldington Road we greatly appreciate the Department including our property in the study and we ask for the opportunity to review further assessments and to comment before any final decisions are made by the Department of Planning & Infrastructure.

Kind regards

**Frank Criniti, Sam Criniti and Peter Crinti, the owners of 106-124 (Lot 32 DP258049)
