Dear Bruce,

Subject: RDA Sydney submission
**Proposed Amendment of State Environmental Planning Policy (Western Sydney
Employment Area) 2009**

Regional Development Australia – Sydney welcomes the opportunity to provide feedback on the Draft NSW Draft Broader WSEA Structure Plan. Please find attached our submission, plus pdf attachments.

Regional Development Australia (RDA) is a partnership between the Australian, state, territory and local governments established to support the growth and development of Australia's regions. RDA is the outcome of the decision made by the Council of Australian Governments (COAG) to merge the activities of the previous national Area Consultative Committees with the state regional development boards.

The RDA Sydney committee builds partnerships between governments, regional development organisations, local businesses, community groups and key regional stakeholders, to provide strategic and targeted responses to economic, environmental and social issues affecting the region of Sydney.

Should any clarification or additional information be required please do not hesitate to contact our Executive Officer, Bob Germaine on 9890 7804 bob.germaine@rdasydney.org.au

Yours sincerely

Alan Pendleton
