I propose one stage rezoning of rezoning the entire precinct. This will help us to make plans for development. We do not have the resources to fully develop 125 Eastwood Rd. The only commercial centre for Leppington in Eastwood Rd.

- First stage entire precinct
- Second being facilities stage wise.
- Include Stage 1 infrastructure up to Eastwood Rd. This will help the commercial centre development and attract more developers/owners to develop land close to commercial centre.
- Revise council rates based on the availability of facilities not based on rezoning.
