Please tell us if there are things that concern you in the draft Precinct Plan.

You can say more about these in the space below.

☐ Staging of rezoning
☒ The zoning proposed for my land
☐ Potential effect on Council rates
☐ Compatibility with surrounding areas
☒ Infrastructure provision (e.g. sewer and drinking water, electricity)
☐ Roads and traffic

☐ Timing of development
☐ Environment and heritage
☒ Community facilities/services
☐ Other (please specify):

I understand there is already "the Leppington Public School" ideally suited for expansion, being on approximately 10 acres, potentially safer traffic thoroughfare than Ingleburn Rd, Leppington potential site. We also don't wish to wait long term for the property to be purchased for a school & we also have learn that the Ingleburn Road potential site may not even be needed just like what happened at Spring Farm.

In light of the above we wish 63 Ingleburn Rd, Leppington to be zoned R3 or R4 just like most of the properties along a surrounding Ingleburn Rd.

Thank you & Regards.
