I am concerned that the process of the development is going too slowly, especially since the train station will be running in 2015. Fast development of the area is needed.

Please tell us why you do or don't support the draft Precinct Plan. You may wish to expand on the items you ticked above.

→ We do support the precinct plan. The plan supports the construction of the train station. Development also means early retirement for myself and others in the local area. It also means I can support my children.

Please attach additional page/s if you need to.
