SUB: Proposal to include the land (125 Eastwood Road, Leppington)
in the 1st stage of rezoning

Dear Sir/Madam,

We went through the Leppington Precinct rezoning and the current proposal on sequential rezoning of this area on your website. As a land owner in this area (125 Eastwood Road, Leppington) may I express my suggestions/requests on this proposal please?

1. Our proposal is to have the 'rezoning of the entire precinct together,' rather than sequential which won't delay the rezoning of Leppington.
2. We also wish to propose to include all the land north of Heath Road in the first stage for development.
3. We are waiting for the rezoning to take place at the earliest possible so that we can start building my house in the land given above.

If you need any further information please do not hesitate to call on the mobile number given above.

Sincerely,

Boby Thalody & Betty Thalody
