Subject: Rezoning of Leppington Precinct reg. sequencing

Dear Sir/ Madam,

We landowners of Leppington Precinct are expressing our decision about including our land in the first stage of rezoning rather than in the third stage as proposed in the public exhibition document. We request you to include the land between Heath road in the South and Ingleburn Road in the North; Dickson Road in the East and Western boundary of Leppington Precinct, in the first stage of rezoning and development. Also we wish to express our interest/preference to rezone the entire precinct together.

We are hereby expressing our willingness to develop our land as soon as the land is rezoned.

Thanking you,
