Leppington Precinct Plan

I am the resident at [REDACTED] Leppington. I attended the meeting that was held on the 18/11/2014 at 123 Ingleburn Rd Leppington. I was shown the draft for the proposed stages and it came to my attention that you plan on building a road that will run through my existing house. There is an attached diagram of where my home is and where you can move the road to. You will need to take this into consideration because even though the area may be rezoned I am hoping to stay in my home.

With regards to the zoning stages my property is in zone 3 with the shopping centre, would it not make more sense for this zone to be changed to zone 2 considering the area will be built up with no shopping amenities, also most of the residents in my zone are happy to be rezoned and move on.

Can you please contact me and acknowledge receipt of this letter and if you have any questions with regards to the diagram please call me on [REDACTED]

Kind Regards
