: Re: Exhibition of the proposed
amendment to Wyong L.E.P
Tuggerah Town Centre and Crater
way site;

My dear People.

I STRONGLY OBJECT TO THIS
PROPOSAL GOING AHEAD.

We have empty shops at
Tuggerah Westfield, also at
the Supa-Centre and the
Business Park. (ALL AT
TUGGERAH.)

Car Parking we need more.
I believe Westfield own the
block of land on the corner
of Wyong and Cravenlock Rds.

2.

A car park could be builded there.

The traffic on Wyong and Cobbs Roads is bad now. Sometimes we cannot get out, on to Wyong Road from Woodbury Park Road we have to get out at Johnson Road.

We have live here for 21 years move-in December 1993. and we love the place.

I Hope The Department of Planning and Envoirment donot let this go ahead There is more to "life" than SHOPS.

Also there are COWS on that Property where will they go. All my grandchildren know where milk come from.

My Kind Regards,
Mrs. K. Flynn.
