My concerns are that the plan showing  
I has park land on our property. I

I believe that the reasoning for this is  
quite unfair as there will be a  
large Regional Park being built not  
far from our property and also if  
this was to occur other land owners  
surrounding us should share the load  
of the park land.

**Thank you for taking the time to provide your feedback. This will be carefully considered by the Department as we develop the final plan.**
