**I support the land strategy  
at Wilton. I think the  
location is ideal being close  
to the freeway, train line,  
Sydney, Wollongong, Picton  
and Sydneys second airport  
at Badgerys Creek.  
I believe that this project will  
go a long way to solving  
Sydneys housing shortage.  
I beleive it should be  
expedited.**

Thank you for taking the time to provide your  
feedback. This will be carefully considered by the  
Department as we develop the final plan.
