Please attach additional page/s if you need to. Ionly support the Preliminary Strategy as long as the proposed infrastucture can support it, whilst maintaining the rural heritage and 'feel' of the surrounding areas - such as the Bingara Gorge Estate. The facilities inside the Estate barely cover the people who live there now, and its not a full capacity (1165 lots) Bus timetables for BG and availability is currently very limited and needs to be increased and able to reach more surrounding High Schools. The intersection of the M5 and Picton Rd is appallingly dangerous and downright scary and NEEDS to be upgraded. Idon't want to see the rural aspect and open spaces of our Region lost in the Suburban Sprawl of development, simply known to future generations as an extension to Western Sydney! The Wollondilly Region is beautiful and unique and needs to be preserved and protected.
