I support the proposed
Sepp & land release,
providing that Council
sticks to the plan
imposed, being that
the infrastructure is
well organised, planned
and implemented, well
before land is sold off
to make money and
renew.

I have seen it happen
with Cowpasture road with
the surrounding Sub
of Greenway park / Carnes
hill, west Hoxton & Harningsea park
when they were first developed.
I was like playing Russian roulette
trying to get onto Cowpasture road
from these suburbs.
Now it is happening with
Narellan road which is a mess
most of the days.
Infrastructure is number 1 to
insure the safety of lives and
success of the development.

Thank you for taking the time to provide your
feedback. This will be carefully considered by the
Department as we develop the final plan.
