On behalf of Camden Valley R.C. Model Flying
Club, which at present hold a Operational Lease
with Landcom (Lot X).

Landcom are very pleased with the way we have
protected and manicured this area also the way we
have carried out our sporting activities,
well over ten years.

The State Heritage of "Glenlee Estate" aesthetic views
and value not only has it been kept up but improved.
The estate aesthetic view is exceptional picturesque
landscape all the way down to the river bank.

We would be willing to lease or buy (Lot X),
with the present farmer [REDACTED] at
a rate in line with a rural flood plain area

that is only suited as grazing land. The said Rural
area thus keeping this aesthetic State Heritage
home "Glenlee Estate" in its exceptional aesthetic
condition as per the heritage agreement for many
more years to come.

In offering this it may help Landcom Campbelltown
Council or new owners to keep us there.

Thanking You in anticipation

Yours [REDACTED]
President

Thank you for taking the time to provide your
feedback. This will be carefully considered by the
Department as we develop the final plan.
