
Subject: FW: submission on draft cc regional plan

Hi

I wish to make a personal submission noting the projected population increase and the need for additional housing, that the Plan should allow for the investigation of the Somersby North area generally between the M1 and Wisemans Ferry Rd for future medium to long term residential uses. Noting this land is not in the water catchment, can be serviced, is not affected by mine subsidence and abuts the M1 thus making good use of existing transport infrastructure.

thanks
