
Subject: FW: Extension of consultation period for draft Hunter Regional Plan, draft Plan for Growing Hunter City and draft Central Coast Regional Plan.

Attachments: HUNTER TAFE CAMPUSES.PDF

Dear Claire

Thank you for the opportunity to provide feedback in regards to the exhibition of the draft Hunter Regional Plan, draft Plan for Growing Hunter City and the draft Central Coast Regional Plan (the draft Plans). Please find below suggestions on inclusions in the plans for your consideration.

- Vocational Training and Education plays a significant role in these regions with Hunter TAFE being one of the largest regional vocational training providers in Australia. Whilst the University of Newcastle is identified on the maps and integrated into planning where relevant, I believe it would be beneficial to include representation from Hunter TAFE. Hunter TAFE has strong industry and community engagement in the regions which contribute to the economy through relevant industry skills and job ready graduates.
- I note a focus on public transport networks and the need to easily move people from regional areas into Newcastle and return. In this regard. Could I request public transport infrastructure networks take into account Hunter TAFE's regional campuses to allow access for potential students into the future. I have attached the details of Hunter TAFE Campuses for your information.

Hunter TAFE is pleased to have the opportunity contribute to both the Hunter Regional Leadership Group and the Central Coast Regional Leadership Group where we look forward to continued dialogue and collaboration with Industry, other agencies and other education services within these regions.

Kind regards

Christine Warrington

Institute Director
