The General Manager, Hunter & Central Coast NSW
Dear Sir, Please do not allow any more coal mines anywhere near this prime agricultural land in the Hunter Valley. Australia will shortly be in the position of having to feed itself, because importing of food will become prohibitively expensive. We will need this farming land, as so much of the prime farming land around Sydney has been built over or otherwise appropriated. Coal is yesterdays' fuel and becoming unviable. Let us not destroy forever land which we need for the future. Please be one of the very few people who are able to look ahead!
