Star Park is an educational park where children, teachers and families can learn whilst having fun.

STAR Park's program aims to complement the education system by both supporting learning and curriculum concepts and exploring new ones. The STAR PARK environment is a fun place where kids can explore and immerse themselves in learning and play.

Participants will experience the six key learning areas for primary school education. These areas are called STAR zones.

There are STAR Zones for the following learning areas

- English
- Mathematics
- Science & Technology
- Human Society & Environment
- P.D.H.P.E
- Creative & Practical Arts

1. **English**                      Reading STAR, Writing STAR,                      Speaking Star, SpellingSTAR
2. **Mathematics**                      Maths STAR
3. **Science & Technology**                      Science Star, Tech STAR, Space STAR
4. **Human Society & Environment**                      Enviro STAR, History Star, World STAR
5. **P.D.H.P.E**                      Sports STAR, Healthy STAR, Active STAR, Fitness STAR
6. **Creative & Practical Arts**                      Singing STAR, Music STAR, Dancing STAR,  
   Acting STAR, Arts STAR
- Extras**                      Educational Rides

Each activity has its own STAR identity, and the essence of the program lies in the STAR identity which represents an ideal role-model for kids in that discipline.

Superior to a human role model, and free of any human limitations, the STAR represents the most amazingly gifted being on the planet...A shining star in every aspect of life. Each of the individual programs has its own STAR with amazing abilities able to inspire a generation of children to learn while having fun.

We will use Sports Star as an example:

Sport Star has amazing skills in all sports and can teach and inspire kids. Whether it be cricket, soccer, netball or any other sport, he represents the ultimate player with the ultimate skills and the ultimate attitude. He always encourages a healthy active lifestyle, and is a positive character and a good sport.

The STAR represents a character kids relate with. The five points of the STAR represent five main points about the topic. The five fingers on a child's hand reinforce this

Each STAR Zone is made up of activities relevant to learning in that area. For example, the **Creative & Practical Arts STAR Zone** comprises the following:
