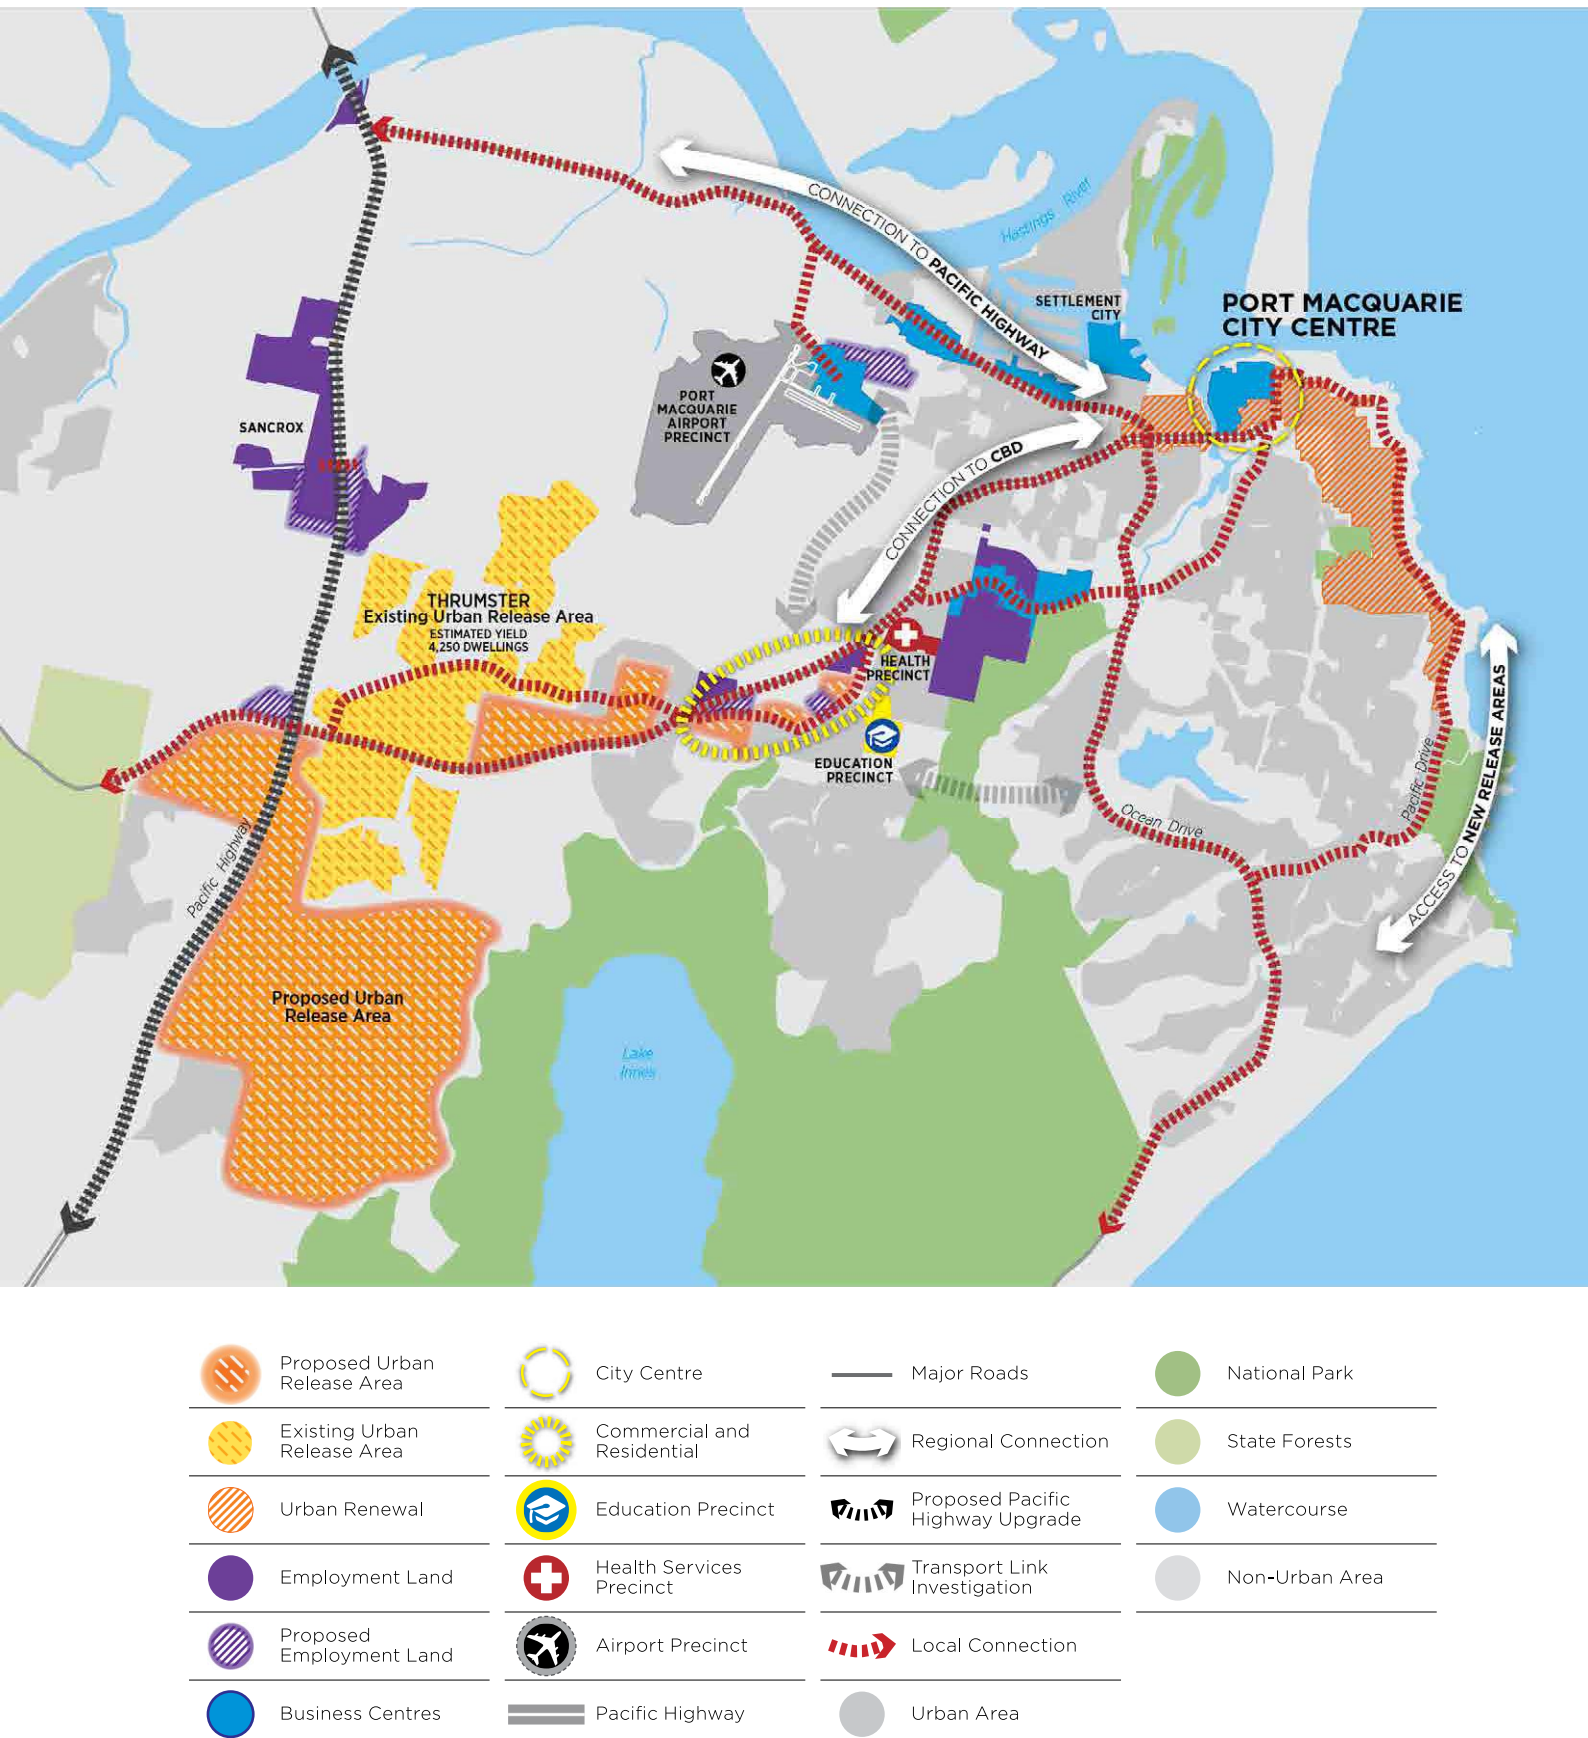

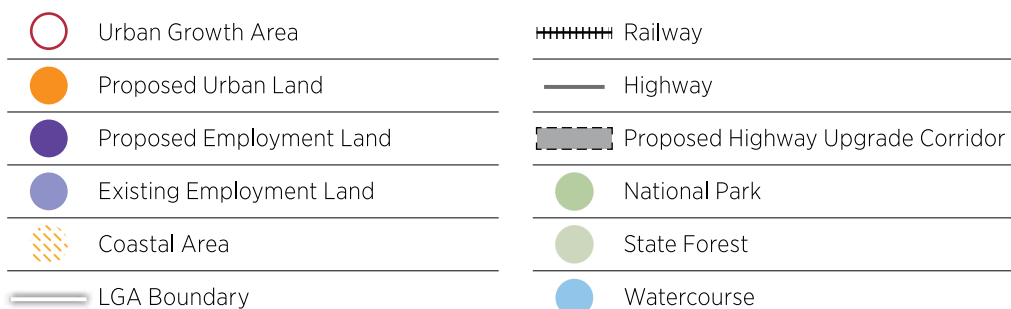

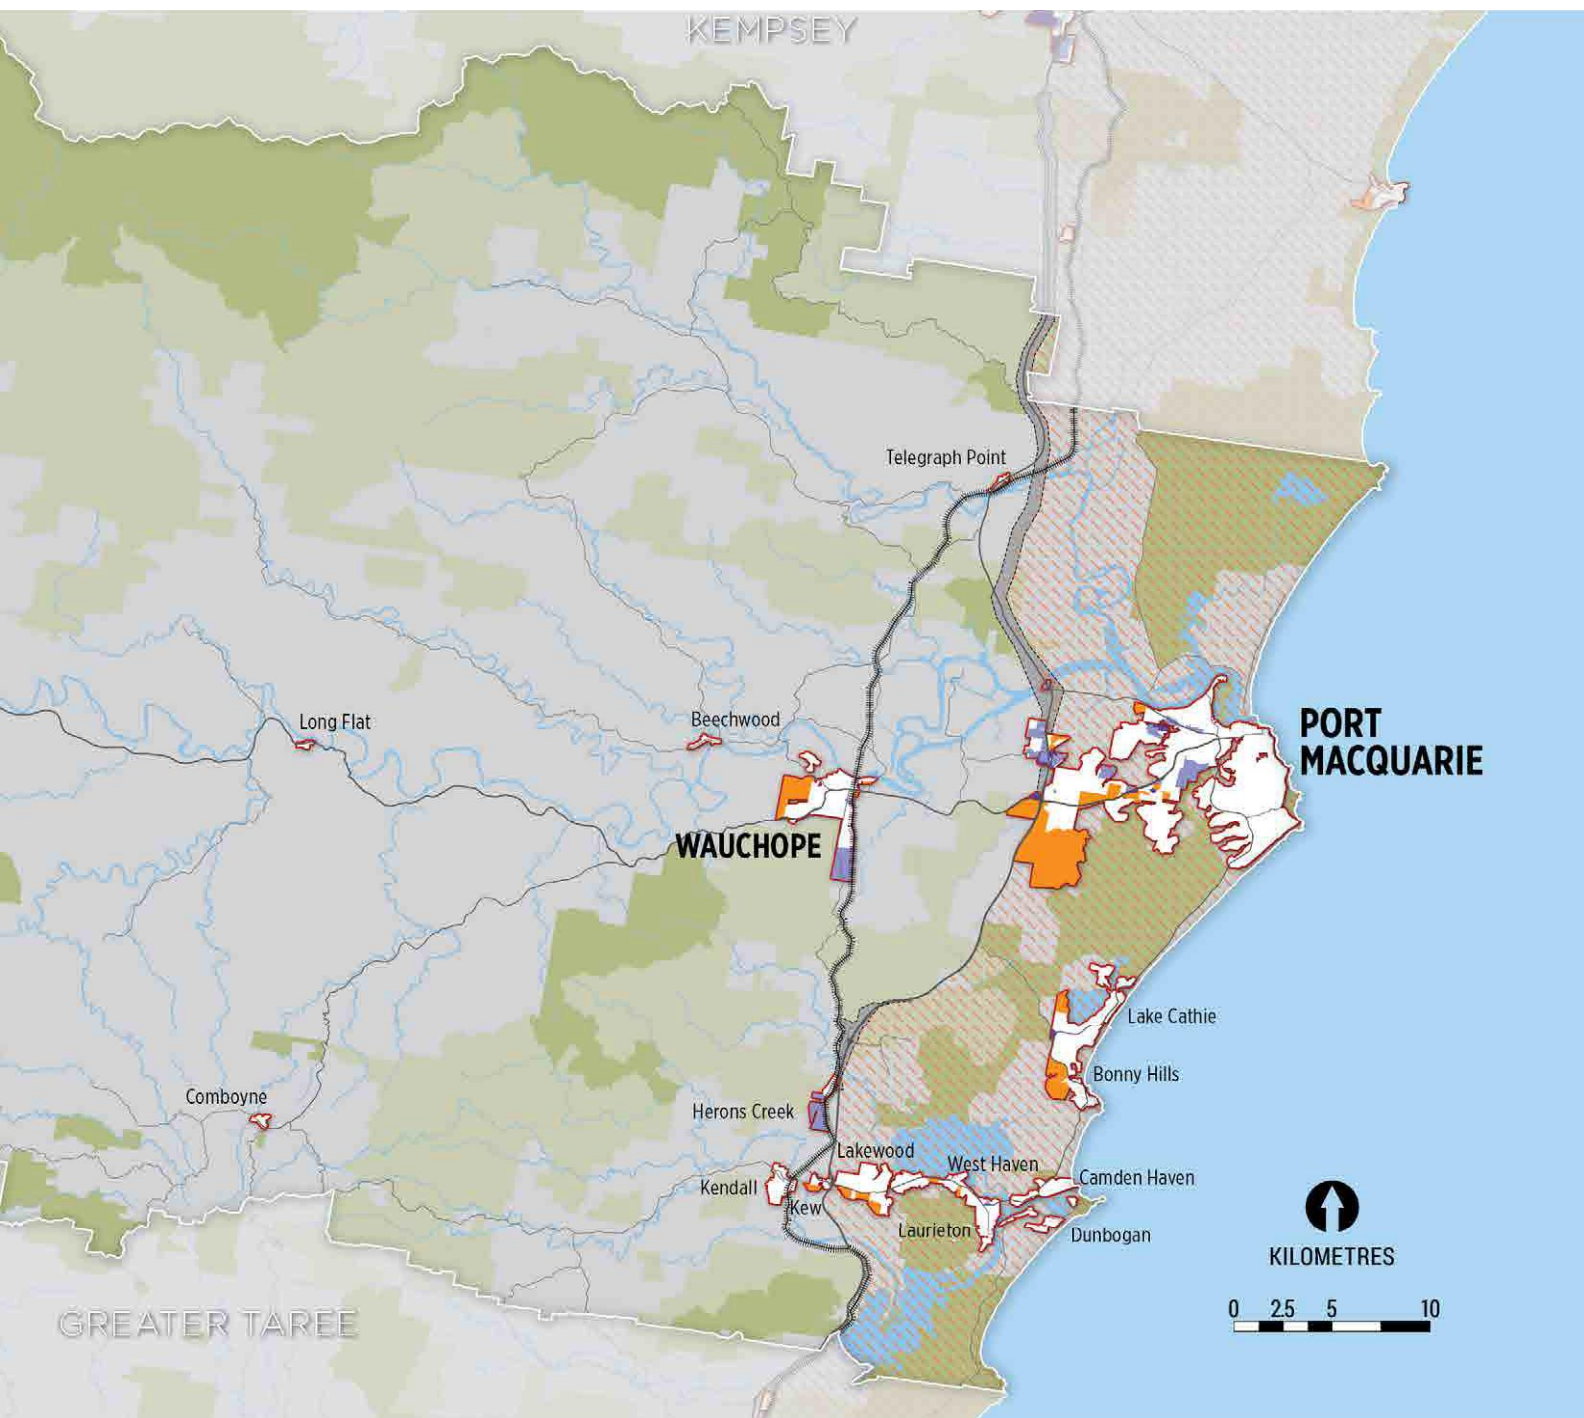

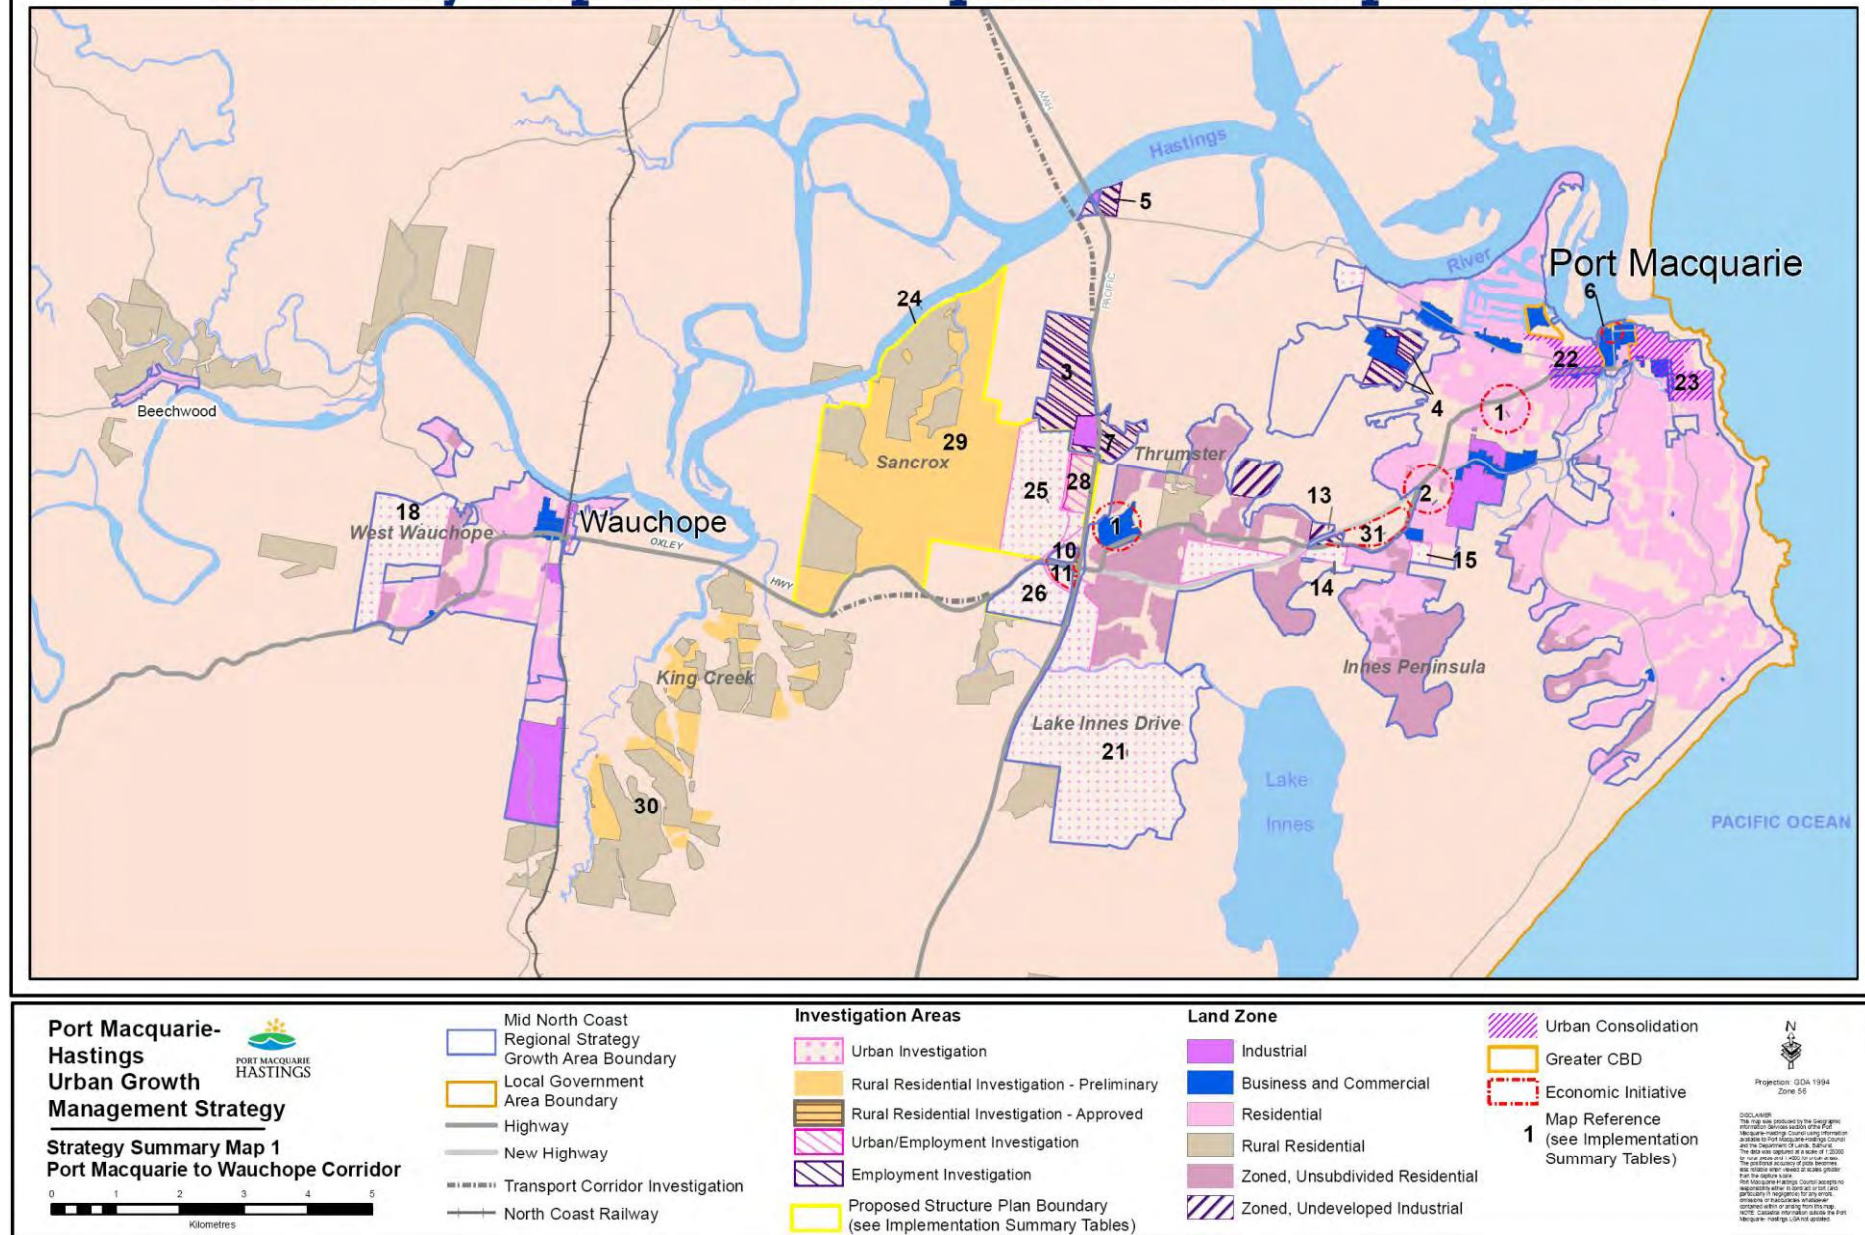

FIGURE 36: URBAN GROWTH AREA MAP FOR
PORT MACQUARIE - HASTINGS LGA

Growth areas show the boundaries of urban areas and, as such, identify both existing and proposed urban lands.

Not all land identified within the growth areas can be developed for urban uses. All sites will be subject to more detailed investigations to determine capability and future yield. Land that is subject to significant natural hazards and/or environmental constraints will be excluded from development.

Summary Map 1: Port Macquarie - Wauchope Corridor
