APPIN NSW 2560

SUMMISSION ON THE GREATER MACARTHUR PRIORITY GROWTH AREA

The Secretary
NSW Department of planning and Environment
GPO Box 39
SYDNEY NSW 2001

Dear Ms McNally,

I am writing to you to support the government' latest plan to include Appin into the Macarthur Growth Area

I am supporting this development as we need better roads, more local jobs, access to shopping centres, a high school for the children of Appin and a better public transport specially for the elderly in Appin not to mention Appin Road needs to be upgraded to 4 lanes to minimise the amount of accidents that occurs on this road and the number of fatality that keeps on occurring .

we urge the department of planning and environment to consider Appin so it is not left behind for another 20 years we need proper infrastructure for this town to move forward and develop

I hope my views will be taken in consideration

yours sincerely
