Sydney Olympic Park Master Plan 2030 is the existing master plan for Sydney Olympic Park. The plan seeks to protect the Park's role as a premier destination for cultural, entertainment, recreation and sporting events while protecting and enhancing the public domain and parklands.

The Master Plan:

- Protects Sydney Olympic Park's role as Sydney's premier destination for cultural, entertainment, recreation and sporting events;
- Ensures the Park continues to evolve into an active, vibrant town within metropolitan Sydney;
- Protects and enhances the public domain and the parklands;
- Outlines infrastructure requirements;
- Provides detailed planning/design principles for future development; and
- Contributes to the Park's quality of built environment, future character and cultural significance.

Where is the railway connection to the Northern Line?
