Housing Land Release
Department of Planning and Environment
GPO Box 39
Sydney NSW 2001

Dear Sir/Madam,

Draft Development Control Plan for Land at Ropes Creek

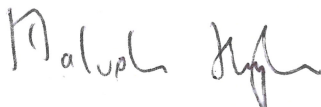

Thank you for your letter received on 22 November 2016 inviting WaterNSW to comment on the above Planning Proposal.

The southern-most point of the proposal site is located over 800 metres from the WaterNSW Warragamba Pipelines corridor. The potential risk to our water supply infrastructure is therefore considered to be low, and WaterNSW has no further comment on the proposal.

WaterNSW requests that the Department continues to consult with us on planning proposals adjacent to the Warragamba Pipelines.

If you have any queries regarding the above please contact Alison Kniha on 4724 2451 or alison.kniha@watarnsw.com.au.

Yours sincerely,

MALCOLM HUGHES
Manager Environment and Planning
