Dear Ms Webb

Re: Draft koala habitat protection SEPP, Explanation of Intended Effect

Thank you for providing Queanbeyan-Palerang Regional Council with the opportunity to provide comment on the Explanation of Intended Effect for the Draft koala habitat protection SEPP.

Council is pleased that the tree species list has been updated. The other proposed amendments appear to be appropriate however, Council is unable to provide comment until the draft SEPP can be viewed.

If you wish to discuss this matter please contact myself on 6238 8111 or at sue.robb@qprc.nsw.gov.au

Yours sincerely
