Dear Sir/Madam

**Comments on proposed amendments to SEPP 64**

[In response, please quote File Ref: 2015/66115]

Thank you for the opportunity to comment on proposed changes to *State Environmental Planning Policy No 64 – Advertising and Signage (Amendment No 3)*.

Sutherland Shire Council supports these amendments. The proposed changes are sensible and have the potential to improve safety outcomes as well as reduce competition for on-street parking. Council is of the view that it already has authority to issue fines for signage trailers - as a sign without consent - on the basis that a sign would have required development consent.

If you require clarification on any matters raised, please contact Leah Wedmore at 9710 0633.

Yours sincerely

Mark Carlon
