

To Department of Planning

Subject: 115 Crown St Riverstone (Lot 17 DP 1459 Sec 26)

I have recently spoken to Phillip Pleffer at department of planning. I am the owner of 115 Crown St Riverstone NSW 2765 (LOT 17 DP1459 SEC 26) . We have been advised by the Department of Education that they do not require our property for compulsory acquisition and it has been signed off by the Education Minister. I was advised that they have agreed to relinquish its acquisition rights on the property at 115 Crown St Riverstone.

I request the whole property to be converted to R2 zoning in the SEPP to enable us to move forward.

Thank you
