Dear Sir/Madam

**PROPOSED CHANGES TO PLANNING RULES FOR
OUTDOOR ADVERTISING AND SIGNAGE (SEPP 64)**

I refer to the exhibition of the proposed changes to the planning rules for outdoor advertising and signage (SEPP 64).

Council has reviewed the changes and raises no objections as SEPP 64 and the Guidelines will still require specific design criteria for advertising structures within transport corridors.

It is also noted that the proposed banning of trailer advertising is a useful initiative that may help address on-going difficulties with advertising trailers in the LGA and improve road safety.

If you have any queries regarding the Council's position, please do not hesitate to contact me on 0402 835 697.

Yours faithfully

Catherine McMahon
Manager – Strategic Planning
