Dear Sir/Madam

**SUBMISSION - REVIEW OF COMPLYING DEVELOPMENT FOR INLAND NSW**

Reference is made to the Review of Complying Development for Inland NSW exhibited by the Department of Planning and Environment on 9 March 2016.

Council commends the Department's recognition of the differences between development in regional and metropolitan areas. Council has reviewed the proposed Inland Code and supports the intent of the code and particularly the use of plain English language, tables and diagrams.

If you wish to discuss this further Council's Development Planner Chris Faley can be contacted on 67288251.

Yours faithfully
