Dear Planning NSW

Planning Proposal for Wilton New Town and Wilton North

Kids of Macarthur Health Foundation is a registered children's charity serving the Macarthur region. Our aim is to raise funds to purchase paediatric medical equipment for our local hospitals and community health centres. Funds are also use to run children's health programs.

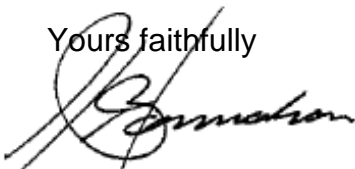

Kids of Macarthur Health Foundation relies solely on community and corporate sponsorship and receives no recurrent funding from any level of government.

For nearly twenty years Bradcorp has been one of the Foundation's major sponsors. This company is the main sponsor at our annual golf day and sponsors a range of other events throughout the year.

Bradcorp has proven to have a long-term commitment to the Macarthur region as shown by the excellence of standards with previous developments. It is sensitive to our local environment and builds quality housing estates that add value to our region.

We are most grateful for their ongoing support and commitment to Macarthur and wish them the best with this endeavours to build Wilton New Town.

Yours faithfully

Bruce Hanrahan
Chairman
Kids of Macarthur Health Foundation
