RETAIL in NSW

Planning for the future of retail Discussion paper.

Leffler Simes Architects are a member of the Large Format Retail Association.

We strongly endorse the LFRA's submission to the Discussion Paper on 'Planning for The Future Of Retail'.

We strongly endorse all definitions exhibited, particularly the definition of 'Specialised Retail Premises'.

Leffler Simes architectural Practice has offices in NSW, VIC and Queensland and we design retail work all over Australia, including large format retail. We believe the proposed introduction of the 'Specialised Retail Premises' definition will ensure that there is clarity, consistency and certainty not only within NSW but with other jurisdictions in Australia, particularly, Victoria, Western Australia and South Australia.

We encourage the NSW Government to consider introducing mandated zones for 'Specialised Retail Premises' as part of their Retail Policy.
