Dear Ms Brill

**Re: Housekeeping amendment to the Codes SEPP**

The Australian Institute of Building Surveyors (AIBS) is recognised nationally and internationally as the peak professional body representing building surveying practitioners in Australia.

The Explanation of Intended Effect (EIE) for the proposed Housekeeping Amendment to the State Environmental Planning Policy (Exempt and Complying Development Codes) 2008 has been reviewed by AIBS and we extend our support to the proposed changes. No objections to any of the proposed amendments are offered.

AIBS wishes to thank the Department for the opportunity to comment.

Yours faithfully  
AUSTRALIAN INSTITUTE OF BUILDING SURVEYORS
