To whom it may concern,

Thank you for taking the time to read our submission, we are against the proposal to rezone West Parade and Carlton Street as we think it is unnecessary.

Some of the reasons we don't like this are:

- We are half-retired and do not want to leave our beautiful home.
- We have lived on West Parade, Riverstone for 9 years and have built friendships with our neighbours and would hate to lose that.
- We produce our own fruit and vegetable which aids with our income.
- Two of my children live here with me and I also have two visiting from home who are looking for permanent residency.
- Never has it flooded here.
- It seems unfair that 11 houses will be gone for one sporting field.

We think the proposed plan is much more suitable for all parties involved, thank you for your time.

Kind Regards,

Kwan Woong Koo & Sang Suk Kim
