

HARDER, BETTER, FASTER & STRONGER THAN EVER BEFORE

VEHICLE PROTECTION BRILLIANCE AT ITS BEST. UNMATCHED.

Protektiv HYDRO has been certified to meet Boeing D6-17487 specification after rigorous testing against stringent standards set out for Boeing compatible products.

+ KEY COMPONENTS

Protektiv HYDRO surface coating is made from a high performance **formula combining Silicon Carbide (SiC) and Ceramic**, delivering extreme durability & hardness. The inclusion of Silicon Dioxide creates a permanent super gloss finish that never needs waxing or polishing. A lifetime of protection and shine.

Silicon Carbide (SiC) is used in a wide range of applications requiring extreme heat and abrasion resistance. **The coating creates super hydrophobic properties** which means outstanding repellence to dirt, dust & road grime.

Protektiv HYDRO is **rated it 4 times harder than quartz-based surface protection products readily available in today's market**. This enables us to provide a lifetime warranty* against the environmental elements; so you can experience a lifetime of performance.

+ PROTECTED FOR A LIFETIME*

With Protektiv HYDRO, your vehicle's protected against damage caused by:

- Weather Induced Oxidisation
- Fading & Loss Of Gloss
- Bird & Bat Droppings
- Tree Sap
- Bug Splatter
- Bore Water
- Sunscreen
- Water Marks
- Rail Dust
- Fallen Leaves
- Clear coat delamination
(limited 6 year warranty for vehicles less than 12 months old at date of application).

INTERIOR PROTECTION AHEAD OF THE GAME

DON'T WORRY ABOUT MAKING A MESS

Super repellent formula manufactured with enhanced **Fluoropolymer**, a Teflon-like coating, provides a non-stick surface for the whole interior.

Engineering of the interior copolymer coating allows Protektiv HYDRO interior protection to bond with the latest technology currently used in vehicle manufacturer's surface textiles including vinyl, leather carpet & fabrics & even Alcantara. HYDRO cross-linked polymer formula delivers repellence and protection like no other interior coating.

+ LOW MAINTENANCE

Prevents permanent staining of the treated surface from sunscreen, make-up, water, coffee, soda, milk, baby formula and other commonly consumed food and liquids.

+ STAIN RESISTANT

Maximised durability across all treated surfaces delivering superior protection against permanent staining from a wide range of food & drink spills, makeup & sunscreen

+ TOUGH & PERMANENT

Once applied, the coating penetrates and bonds to individual fibres, performing a reactive engineered curing process that's amazingly durable.

+ SUPER DURABLE

A unique flash-off curing process creates a super durable coating with repellent properties, providing ultimate protection to last a lifetime*.

+ UV PROTECTION

Once applied, Protektiv HYDRO helps protect against UV damage which can cause loss of colour to interior surfaces.

+ NATIONAL LIFETIME WARRANTY*

Peace of mind knowing the Protektiv HYDRO Warranty covers all treated interior surfaces including leather, vinyl and carpet & fabric.

BOTTOM LINE, SUPER REPELLENT TO LIQUIDS, SPILLS AND STAINS

* Warranty terms, conditions and exclusions apply.
