*Dear Brothers <sup>AND</sup> Sisters!*

Welcome to another Big Camp!

Whether this is your first time joining us or you are returning, we are thrilled to have you here. There is something special about gathering like this—coming together as a family, united in faith, purpose and fellowship.

This year, our theme is “Created to Serve,” inspired by Ephesians 2:10, reminding us that we are God’s handiwork, created in Christ Jesus to do good works. This is more than a theme—it is a calling on each of our lives.

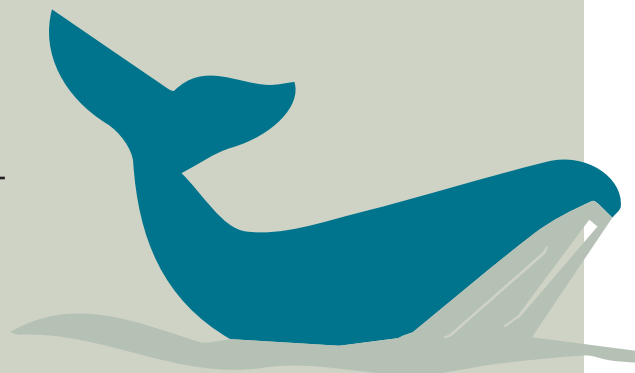

Over the coming days, our hearts will focus on being together. Let us build genuine community, create meaningful memories and strengthen friendships that will last far beyond this camp. In a world that pulls us toward self-centred living, we can choose a better way—the way of service.

We are not created simply to exist for ourselves, but to reflect God’s love by serving others. Each of us has been uniquely shaped and gifted for a purpose. As we discover that together, let us empower one another to step into that purpose—within our church and our wider communities.

Our prayer is that this camp will inspire you, refresh you and remind you that you are part of something bigger. When we base our lives on the truth that we are created to serve, we become a living expression of God’s grace in the world.

May this Big Camp be a time of rich blessing for each one of us.

# Important Information

## ANIMALS

No dogs, cats or other pets allowed on site. Only registered assistant animals are permitted.

## CHILD SUPERVISION

Parents are reminded that their responsibility for their children does not cease when they come to camp. While every care is taken and there are activities for children, camp is not a child minding facility. The conference does not take responsibility for the care of children during camp. Their absolute safety cannot be guaranteed.

The ultimate responsibility for the care of children always remains with parents or guardians. Please ensure that the conduct of your children and young people is adequately supervised through the camp period, and that your children are fully under your control between meetings.

## CASH OUT

ATMs are not located at the Adventist Alpine Village but can be found in Jindabyne village. Coins will be needed for the onsite laundry facilities.

## COUNSELLING SERVICES

Need someone to talk to?

Professionally trained counsellors are available to meet with you during camp at no charge. Limited appointments can be secured by visiting the camp office.

## DEPARTURES

Departures from camp should not be planned during Sabbath hours as a courtesy to other campers, apart from exceptional circumstances.

## Dress and Language

Please observe a modest standard of dress and deportment. Loud and offensive language is not accepted or tolerated.

## DRUG-FREE ZONE

The camp ground is designated an alcohol, tobacco and drug-free environment. Alcohol, tobacco and illicit drugs are NOT to be brought onto the Camp Ground. Offending people and their entire campsite will forfeit their rights to be on the grounds for the duration of camp.

## FEEDBACK

We want to hear what you have to say. The feedback form will be available starting this Thursday (25 April 2026). Please make sure to fill it out with your comments or suggestions. The survey will be open for one week from Thursday. Keep an eye out for the code and let your voice be heard!

## FUNDRAISING / SOLICITING / PRIVATE BUSINESS

Camp is not to be used to further personal business activities. Campers are asked not to distribute, sell or canvass anything that has not been authorised by Conference Administration.

## LIGHTS OUT

There is a camp curfew for all campers at 11:00pm. This means that there will be a quiet-down period from 10:00pm, and that all campers should be in their accommodation and no noise between 11:00pm and 6:00am. Please have Christian consideration for others.

## NOISE LEVELS

Noise levels are not to disturb other campers.

## PARKING OF VEHICLES

Authorised vehicle entry to grounds will be between 6:00am and 10:00pm. One vehicle only per site is permitted; any additional vehicles must be parked in designated sites on the property. Provided car signs MUST be displayed at all times.

Car parking in designated car parks only. Only road-registered motorbikes can be ridden on the campground within the speed limit of 10km/h and keeping noise to a minimum.

## PHOTOGRAPHY AT BIG CAMP

Most people taking photos of children at Big Camp are doing so for acceptable reasons and using appropriate methods. However, it is worth noting that many photographs taken in public places will include subjects who have not consented to their photo being taken. In Australia, generally speaking, there is no law restricting photography of people (including children) in public spaces as long as the images are;

- Not considered indecent
- Not being used for voyeurism
- Not being used for commercial purposes without a Model Release/Consent.

However, where an event is held on private property, such as Adventist Alpine Village, the owners of the private property are able to restrict or ban photography. Understanding this, the Greater Sydney Conference requests that you adhere to the following guidelines when it comes to photography at Big Camp: Authorised photographers under the Communications Team have been employed to take photographs at Big

Camp.

They will be wearing a staff lanyard or hi-vis vest. If you do not wish your child to be photographed by the photographer for any reason, please contact the Camp Office and identify the children.

If you are taking photographs that include minors, please endeavour to restrict the images to those children that are related, or known, to you.

Due to child protection issues, photos of children at camp, other than those that are directly related to you, should not be posted onto the internet, social networking sites or any other form of electronic carriage service.

## PROPERTY

Vandalism of any kind, including interfering with camp property, fences or notices, will result in prosecution and/or request to leave the grounds.

## SKATE BOARDS, ROLLER SKATES, ROLLER BLADES, OR SCOOTERS ARE PROHIBITED

For the safety of all, we request that you do not use these on the grounds.

## SECURITY

Security guards will be on the grounds 24 hours per day. Even with security in place we cannot guarantee the safety of valuables left unattended in your tents, caravans, etc. Camp Administration cannot be held responsible for the loss of your valuables. It is required that campers will respect and comply with instructions from security personnel.

## SHOWERS

Remember that others are often waiting to use the showers, so please be efficient and considerate.

## LAUNDRY

There are three (3) laundry facilities located onsite. One is designated for the chalets, one for the dorms, and one for the tent sites. Coins are required to operate the self-service machines. To protect the environment and the property of other guests, refrain from using bleach products.

## SPEED LIMIT

Hazards lights are required to be on at all times of the day and night when driving through the camp. Observe SPEED LIMIT of 10km/h at all times. Failure to do so will result in the individual being banned from driving on the grounds.

## TOILET BLOCK CLEANING

Please remember that the cleaners are working hard to keep the amenities blocks well-stocked and in great shape with large numbers of people on site. Affirmation is encouraged and appreciated.

If you have any concerns, please report these to the AAV Office on 02 6456 2738. Cleaning times can be reduced considerably if campers can remain outside the amenities, or use alternative amenities, while they are being cleaned.

## TREES

Please refrain from hanging any ropes, swings, washing lines or hammocks in trees. Adventist Alpine Village invest time and energy in maintaining their grounds. Respect the environment in which you are camping.

## RUBBISH /WASTE

Always carry designated waste containers such as garbage bags, recycling bags, and compost bins. Deposit your waste in the appropriate receptacles.

If not in your immediate vicinity, place your waste containers in a convenient and accessible location within your campsite to encourage proper disposal when convenient. What you bring in, you take out.

## JINDABYNE

Remember that you are a visiting guest and a representative of the Seventh-day Adventist Church at all times.

# Big Camp 2026 Offering

## GSC Partner Island Mission Offering, 18 April

Across the South Pacific, our brothers and sisters are sharing the hope and healing of Jesus in places many of us will never see. From sunrise to sunset they serve—through rain and under the blazing sun—bringing the message of Christ to their communities.

This year Greater Sydney Conference has an opportunity to support our mission partners, Solomon Island Mission and American Samoa in their evangelism campaigns taking place in July as part of the Trans Pacific Union Mission's TPUM for Christ. The GSC Evangelism offering collected on 19 April this year will help in three important ways.

First, it supports Greater Sydney Conference to send out team members who will speak at the evangelistic campaigns that are being held across the islands.

Second, it supports local believers who labour faithfully with limited resources but generous hearts. Your gift helps strengthen their ministry as they reach people who are still waiting to hear the good news of Jesus.

Lastly, it helps provide for the families who open their homes to host and care for our volunteers. Their hospitality is a real sacrifice, and this offering helps ensure we come as a blessing, not a burden, as we serve alongside them.

You can give today through the offering plate, or online at [eGiving.org.au](https://eGiving.org.au). Via [eGiving.org.au](https://eGiving.org.au) locate the title line: *Evangelism - GS Conference*.

Thank you for your generosity and thank you for being part of God's mission in both the Solomon Islands and American Samoa.

# ROAD TRIP

The Youth Department is planning an exciting Road Trip With A Purpose this June, and we want to know who's keen to join!

We'll be starting in Sydney and road-tripping north toward the Great Barrier Reef, stopping along the way to run mini STORMCo-style service projects in local communities. It's a chance to serve, and connect with others.

Purpose: Service, community, and adventure!

The trip will finish with some sightseeing and time exploring the beauty of the reef before heading home. Contact: **Jacinda Ralph** at [jacindaralph@adventist.org.au](mailto:jacindaralph@adventist.org.au).

### European Adventist Youth Congress

Join thousands of young people from across the world at the European Adventist Youth Congress 2026 (AYC26) in Valencia, Spain, from 4–8 August 2026. Connect with Adventist youth from different cultures, be inspired by powerful speakers and music, and grow deeper in your faith. If you're interested in being part of this life-changing experience, reach out to learn how you can join!

### Adventurer Camporee

Camporee is a vibrant weekend of adventure, worship, and hands-on activities designed for all Adventurer Clubs across the GSC. This year, our theme "Little Bible Heroes" will invite our Adventurers to explore what it means for a young person to serve the Living Most High God. Through stories, activities, and worship, children will discover how God uses willing hearts—no matter how small—to do great things for His kingdom. This special event also welcomes parents to join their Adventurers for a full family campout experience.

In 2026, the Trans Pacific Union Mission (TPUM) is set to host Pacific for Christ, a large-scale evangelistic initiative aligned with the “I Will Go” strategy (Mission Refocus initiative), of the General Conference of the Seventh-day Adventist Church.

This focus builds on the incredible impact of Papua New Guinea for Christ in 2024, where more than 100 pastors and members from Australia were a part of PNG for Christ and came home with a renewed enthusiasm for mission in Australia.

This year we have a special opportunity to support our partner missions in the Solomon Islands and American Samoa broaden their evangelistic reach.
