

# Be **Bushfire** Ready

## THE NEXT 5 YEARS

The Strategic Bushfire Management Plan (SBMP) is the document which sets out how bushfire risk is managed in the ACT.

As part of the review of the SBMP, the ACT Emergency Services Agency invites you to attend one of the following community forums and share your ideas and expectations to help shape bushfire management in the ACT.

Can't make one of the community forums?  
Share your feedback and ideas at
